Thematic Pillars & Flagship Initiatives

Agri Industries Vikas Chamber (AIVC) is structured around many thematic pillars, each addressing critical areas of national development. Under these pillars, the Chamber leads flagship programs that drive sustainable and inclusive impact across India.

Agriculture & Rural Livelihoods

Sustainable farming, agri-innovation, income enhancement

- **SMART KRISHI** – Promoting smart agriculture and agri-tech adoption
- **KRISHI SAKSHAM** – Farmer training, awareness, and skilling for climate-resilient practices
- **Agri-Entrepreneurship Development Hub** – Supporting agri-startups & rural enterprises

Education & Digital Learning

Inclusive education, digital equity, youth empowerment

- **ESHIKSHA ABHIYAN** – Digital learning and infrastructure support in rural schools
- **SHIKSHA SAKSHARTA MISSION** – Literacy and scholarship programs for underprivileged youth
- **SkillNEXT** – Vocational training and employability enhancement for rural and semi-urban youth

Health & Social Well-being

Public health access, preventive care, vulnerable communities

- **SEHAT SARTHI** – Mobile health camps and rural medical outreach
- **JAN SWASTHYA MITRA** – Community health awareness and volunteer-based health advocacy
- **MAATRI SURAKSHA** – Women & child health, nutrition, and maternal care initiatives

Socio-Economic Empowerment

Livelihoods, financial literacy, gender and tribal empowerment

- **UDYAMITA SETU** – Micro-enterprise development and self-employment support
- **SASHAKT SAMAJ** – Women empowerment and gender equality programs
- **ADIWASI PRAGATI YATRA** – Focused development interventions in tribal regions

Government industry & Development partnership

OUR KEY VERTICALS

AGRICULTURE

AIVC is committed to revolutionizing the agriculture sector by promoting sustainable farming techniques, introducing modern tools and technology, enhancing productivity, and supporting farmers through training programs, capacity building, and market access.

TECHNOLOGY

While not a standalone focus, AIVC actively integrates digital platforms into its initiatives—especially in agriculture, education, and health—to foster innovation, bridge rural-urban divides, and ensure access to essential services.

Agri Industries Vikas Chamber (AIVC) operates through four interconnected verticals that address the foundational needs of rural and urban development across India.

HEALTH & SOCIAL DEVELOPMENT

AIVC works to improve healthcare access through medical camps, training for health workers, and public health awareness campaigns. We also address social challenges by empowering underserved communities, promoting financial literacy, and supporting livelihood generation.

EDUCATION & SKILL DEVELOPMENT

Education is a cornerstone of our work. We support schools in rural areas, promote digital learning, and conduct vocational training to empower youth with essential skills. Initiatives include infrastructure development, scholarship support, and literacy promotion.

SOCIAL

AIVC empowers communities through financial literacy, skill development, and socio-economic initiatives focusing on women, youth, and tribal populations. It partners with NGOs and government bodies to promote inclusive growth and social justice.

TOURISM

By organizing national-level events and supporting rural enterprises, AIVC indirectly promotes sustainable tourism. It helps showcase local talent, cultural heritage, and crafts, contributing to community-based tourism and economic development.

CULTURAL

AIVC celebrates and preserves cultural diversity through exhibitions, awareness campaigns, and skill-based programs. It actively promotes traditional knowledge, crafts, and cultural expression, especially among women and youth.

WOMEN EMPOWERMENT

We promote gender equality by enabling women to access resources, build skills, and participate in economic activities.

Programs focus on micro-enterprises, livelihood training, and capacity building for marginalized women.

HERITAGE

AIVC supports the preservation of India's rural and agricultural heritage through organic farming, indigenous practices, and tribal development. Its programs are rooted in sustainable models that respect and revive traditional systems.

PWDS

While not directly focused, AIVC promotes inclusive development by ensuring access to education, healthcare, and livelihood for all, including Persons with Disabilities, through adaptable and community-driven initiatives.

Recognition & Transparency

All CSR contributions will be acknowledged during the conclave

Donor names will be featured in recognition forums and communication materials A detailed concept note, budget, and utilization framework will be shared by AIVC

What to Expect at the Event

Empowering Against Trafficking

Exhibition on trafficking prevention tools, survivor enterprises, and CSR-supported innovations

Voices of Resilience

Survivor showcases and IEC campaign launches

Impact Through CSR

CSR Pavilion and donor recognition programs

Strategic Roundtables

Policy roundtables with ministers, secretaries and international experts

“Empowering Communities, Enriching Lives”

CSR (Corporate Social Responsibility) refers to a company's commitment to operate in an economically, socially, and environmentally sustainable manner, while recognizing the interests of its stakeholders.

Brief Overview:

CSR involves businesses taking responsibility for the impact of their activities on the environment, communities, and society at large. It goes beyond profit-making and includes voluntary actions that contribute to social good.

In India:

Under the Companies Act, 2013, certain companies are legally required to spend 2% of their average net profits over the past three years on CSR activities.

Common CSR Focus Areas:

- Promoting education
- Healthcare and sanitation
- Environmental sustainability (tree plantation, waste management)
- Rural development
- Supporting persons with disabilities and marginalized communities
- Women empowerment initiatives
